## 2022 World Ag Expo<sup>®</sup> COVID-19 Standards

World Ag Expo<sup>®</sup> 2022 will require the following to enter the event:

- Attendees, exhibitors, vendors, concessionaires, staff, media, and any other persons attending the event must be in good health while on the grounds. If you are ill, please do not attend the show.

We will not be checking the vaccination or negative test status of exhibitors, attendees, vendors, concessionaires, staff, media, or any other persons attending the event.

Masks will be available at gates and on the grounds. The State of California recommends masks for the unvaccinated.

Hand sanitizing and hand washing stations will be available throughout the grounds.

These standards are subject to change.
