

## Internet Instructions for World Ag Expo 2023

High speed Internet access will be available in your booth for WAE 2023. wifeye, Inc. is once again the official Internet service provider. \*\*\* Please read entire page! \*\*\*

To order service, complete and return page 2 via fax to 559-751-2029 or via email to wae@wifeye.com by February 1st, 2023. **You will receive an emailed invoice with a paylink, that you may pay via credit card.**

**Please whitelist the email address [accounting@wifeye.net](mailto:accounting@wifeye.net).**

Save money! Place your order before the discount rate deadline!

**Discount cut off date is November 15th, 2022.**

High speed Internet is provided via wifeye wireless router that will be placed in your booth before the start of the show. Your Wireless Network Name and Wireless Security Password will be printed on the underside of your router. **You will only be allowed to join the amount of devices you specify on page 2.** Please take into account smart phones, tablets, computers or any other device you wish to have Internet access. Remember, if you share your password or ID with other vendors, they will be reducing your connection abilities. Forms not entirely filled out, will not be processed.

You must have 110v power in your booth with (2) outlets available.

*1 Mbps service adequate for basic Internet browsing, e-mail and credit card transactions.*

*5 Mbps service is adequate for a couple computers and light video streaming.*

*10 Mbps service is adequate for multiple computers with heavy usage.*

*20 Mbps service is adequate for several computers with extreme usage.*

Technical support will be available during the show. Please call 559-684-9800 to put in a technical support request.

wifeye Inc. rented equipment has a value of \$350.00, if it is not returned you will be charged for it. When the equipment is returned you will receive a equipment return receipt.
